

**PENN CENTRAL RAILROAD HISTORICAL SOCIETY
LIMITED RUN FREIGHT CAR**

The Penn Central Railroad Historical Society is pleased to announce its 2016 custom freight car. The model will be manufactured by the Atlas Model Railroad Co Inc and represents the 100 4,650 cubic foot Centerflow covered hoppers in New York Central Lot 114-H built by American Car & Foundry. The prototype cars were delivered to the New York Central in 1966 and used primarily in grain service.

The models are expected to be available in the 1st quarter of 2016 with two road numbers being made in quantities of 150 each. Preorder yours today - \$38.95 for members, \$41.95 for non members. Postage is \$6 for one car; \$8 for 2-3 cars; please contact us for postage on more than three cars.
